

Forrest Park Croquet Club and the Claise Brook Catchment Group

invites

residents to help improve the local environment by assisting in planting natives in the Club's front garden¹, enjoying a morning tea for their efforts and playing a game of croquet for free!

Commencing at 9am through to 12pm on

Saturday 11th September

bring your garden gloves and your family!

If you have any questions please feel free to leave a message at 6210 1690 and a club member will return your call.

Note 1: Claise Brook Catchment Group is a community based environment group working to conserve and restore water quality and wildlife habitat in the Perth inner city. We want to beautify the area using Western Australian plants that use little water and do not require fertilizer and educate locals at the same time!
