

Swan Competition April 2007

Identify the location of each swan. All photos were taken in Perth city within 2km of Council House (as the crow flies).

Send your entries to PO Box 218, North Perth, 6906 or email to info@cbcg.org.au Any questions call Sally on 9227 9514

	<p>1. This swan can be seen on a cycle ride along the river.</p> <p>Location.</p>
	<p>2. This swan is located in the City's heart on a public building.</p> <p>Location.</p>
	<p>3. This limestone carving of a swan has been weathered by time. Located between Kings Park and the river on a culturally significant site.</p> <p>Location.</p>
	<p>4. This tiny wooden swan is in a prominent location in the city.</p> <p>Location.</p>
	<p>5. This metal swan swims along quite close to where the river's edge used to be.</p> <p>Location.</p>
